

STEVEN D. THOMAS, JR. [Associate]

Patent Attorney

stthomas@rainierpatents.com

Rainier Patents, P.S.
216 W. Pacific Ave.
Suite 112
Spokane, WA 99201

PH: 509.252.5015
FX: 509.381.3110
www.rainierpatents.com

EDUCATION: JD, with highest honors, George Washington University Law School
MSE, Computer Science, Johns Hopkins University
BA, History, University of Maryland at Baltimore County

EXPERIENCE: Patent practice experience with emphasis on software and business method patents. Draft new applications, responses to Office Actions and appeal briefs. Prosecute foreign patents through foreign associates in Japan, Australia and EPO. Client counseling on issues such as avoiding liability for direct, contributory and induced infringement.

Prior to beginning his legal career, worked as a software engineer for Northrop Grumman developing operational software code and simulations for both air- and ground-based radar platforms, including the F-16 fighter aircraft. Software technologies included C and C++ code initially developed on the Windows NT operating system and subsequently ported to a VxWorks real-time operating system.

ASSOCIATIONS: Admitted to practice in Maryland
Admitted to practice before the United States Patent and Trademark Office
