

PETER C. YI
Patent Attorney
peter@rainierpatents.com

EDUCATION: JD, George Washington University Law School
BS, Engineering & Applied Science, California Institute of Technology

EXPERIENCE: Prosecuted patents for dozens of Fortune 500 companies in hardware, software, communications, and financial technologies. Patent prosecution experience includes drafting applications, Office action responses, examiner interviews, appeals, oral arguments before the Board, inter partes reviews, covered business method reviews, ex parte reexaminations, and reissue applications.

Extensive patent litigation experience representing smartphone, display, telecommunications, and gaming companies in federal district courts, the U.S. International Trade Commission, and the Federal Circuit, and serving as an attorney-advisor to an administrative law judge at the U.S. International Trade Commission. Patent litigation experience includes pleadings, discovery, depositions, motions, Markman hearings, trials, and appeals.

Other experience related to intellectual property includes providing legal opinions (e.g., freedom to operate, validity, and infringement), performing due diligence and valuation of patent portfolios on sale, litigating business tort claims (e.g., trade secret misappropriation, unfair competition, and breach of contracts) involving patents in state courts, and prosecuting trademark applications before the U.S. Patent and Trademark Office. Industry experience in the information technology field includes designing, implementing, and administering corporate networks, servers (e.g., email, web, directory, remote access, print, fax, etc.), databases, mass storage, data backup and recovery processes, antivirus and malware solutions, monitoring systems, clustering, and virtualization.

ASSOCIATIONS: Admitted to practice in the District of Columbia
Admitted to practice before the U.S. Patent and Trademark Office
